Room 1239, New State Building

Dear Mr. Ambach:

This is in response to your letter of 8 April 1986, in which you asked for a re-review of certain documents for inclusion in the Foreign Relations of the United States volume on Indonesia for the years 1955-57. Additional excisions were made by your office, and HO has agreed to accession their copies of our files into the Department's main country file of the period for Indonesia. That process is acceptable to us.

We have now completed our re-review, and we concur with the changes suggested by your office. We are returning the originals of the seven documents.
